

PRODUCT NAME

Purilance – Purifying and antioxidant supplement for the body

CODE

INTF011

SIZE

Powder 240g

DESCRIPTION

Purilance is a food supplement based on selected plant extracts and essential micronutrients, formulated to support the body's natural detoxification processes and promote overall balance. Thanks to the combination of dandelion, artichoke and birch, Purilance helps the proper functioning of the liver and kidneys, supporting the elimination of toxins and excess fluids. The presence of vitamin C also helps protect cells from oxidative stress caused by free radicals, while bisglycinate iron and vitamin D support vitality, energy and normal immune function. A complete ally to promote well-being, lightness and improved body function.

MAIN BENEFITS

- Supports the natural detoxification of liver and kidneys
 - Helps eliminate excess fluids
 - Protects against oxidative stress
 - Supports energy, vitality and immune function
- Contributes to electrolyte balance thanks to magnesium, potassium and calcium

WHO IS IT FOR?

- For those who want to naturally detoxify their body
- For those who feel heavy or experience water retention
- For those going through periods of physical or mental stress
- For those who want to support liver, kidney, and overall well-being
- For those looking for a complete supplement for balance and vitality

DIRECTION FOR USE

It is recommended to take two coffee teaspoons (8g) per day, dissolved in a glass of water.
